DIRECTIONS FROM BATH

From the centre of Bath, go North up Lansdown Road. When the road levels out, go past the Bath Park and Ride, the Blathwayt Arms, Lansdown Golf Course, and Bath Racecourse, all on the left. The road to the Squash Court B&B is also on the left, half a mile after the entrance to Bath Racecourse, and just before there is a triangular sign warning of a sharp bend to the right. The road does not have a signpost.

At the top of our road there is a sign stating 'private road' etc. Ignore this sign and drive for half a mile, past some woods, through a golf course (being careful to avoid golf balls!), and down a small wooded hill. You then zig zag onto the drive and park close to the front door.

DIRECTIONS FROM THE M4

From the M4, come off at Junction 18 signed for Bath/Stroud. Turn onto the A46, signed for Bath. After 3.5 miles, go past Dyrham Park (National Trust) on the right and then take the second turning on the right onto Gorse Lane (signposted with a brown horse sign for Bath Racecourse). At the end of Gorse Lane, turn right onto the A420 and immediately left onto Freezing Hill Lane (signposted Lansdown). At the end of Freezing Hill Lane, turn left and follow the road up the hill. As the road levels out, go past a turning on the right signposted 'Welcome to Avon Fire and Rescue Service' and take the next turning on the right. The road does not have a signpost.
